Ultimate Model Male and Female Criteria rules and Judging

***Athletes do not need to bring their own music.**

Who's it for? The Ultimate Model category is for both male & female competitors that have a complete package. This is a model search and athletes are to have an attractive healthy look that is marketable in the Fitness industry.

There is not a set Physique in this class but more of what suits the competitor and what is pleasing to the eye.

Athletes will be Judged on these in order of what we find most important for this category
Marketability, Looks, Appearance, Personality, and Physique.

This class is open to all competitors of all ages, gender, and levels (min age is 16 years).

You will be marked on Marketability foremost as been the most important, followed by the list below in order of what is most important to this Model category criteria.

1. Marketability
2. Looks and overall appearance
3. Stage presence and Personality
4. How you pose & conduct yourself on stage.
5. Your Physique must complement your overall look

PRESENTATION:

All Ultimate Model categories consist of one round which include a T-walk and Quarter Turn Comparisons. (FREE STYLE POSES OF YOUR CHOICE)

T-WALK:

The competitors will enter the stage individually. Starting from the back centre of the stage to perform a T-walk.

The competitor will walk to the back-centre stage where he will pause briefly in a stance of his choice. The competitor will then walk up to front centre stage and perform pose/poses of their choice. The competitor will then walk to the left to perform pose/poses and then walk to stage right to perform their last pose/poses.

There is no specific amount of poses you can perform at each spot, but we suggest 3 of your best poses at the front centre spot and 2 poses on both side spots.

Attire:

1. Male swimwear can range from any short shorts but no boxer pants or bodybuilding trunks allowed.
2. Bikinis can be of any colour, fabric, and any style. Make your bikini as interesting and as daring as you like.
3. No G-strings or thongs allowed.
4. Must wear heels and can be of any colour and height

JUDGING:

Judges must remember that this is a Model category and therefore will first look for the Marketability of the competitors taking into consideration, **Looks and overall appearance**. Followed by the competitors **Stage presence and Personality** and how well the competitor **poses & conduct themselves on stage**. Judges will take the competitors overall look including Physique into consideration, making sure the competitors Physique complements their overall look and is pleasing to the eye.

1. Each judge awards each competitor an individual placing, ensuring that no two or more competitors receive the same placing.
2. Scores are added together from each Judge to produce the best sub score to calculate the top 5 placing
3. Should a tie occur after countback; the tied competitors will then have a pose off!
